CPO Vehicle Service Protection

Unexpect the unexpected.

We have good news, and great news. The good news is, when you buy a Volkswagen through the Certified Pre-Owned (CPO) program, your vehicle is covered by a manufacturer CPO warranty. And the great news? That peace of mind can now be expanded. The optional Volkswagen CPO Vehicle Service Protection plan delivers coverage up to ten years or 150,000 miles.¹ In addition, you'll also receive roadside assistance, towing, rental car reimbursement and trip interruption coverage if needed.

¹ Certified Pre-Owned (CPO) Vehicle Service Protection coverage runs concurrently with any applicable manufacturer's warranties. In Warranty plan expiration is measured in time/miles from the Manufacturer's Original In Service Date and zero (0) miles. Out of Warranty plan expiration is measured in time/miles from the Agreement Purchase Date and the Current Odometer Reading. Terms only available up to 10 years/120,000 miles for MY2017 or previous.
